

Kathy's House
A HOSPITAL GUEST HOUSE

BAKING FOR GUESTS

Our guests appreciate homemade treats after a long day at the hospital or in the evening. Homemade treats help with creating a “home away from home” atmosphere.

General Guidelines

- Create an account or sign into [My Impact](#) and pick a day that you will be dropping off the baked goods.
- Everyone baking must be healthy in order to protect guests who may be immune suppressed.
- Please wash your hands before preparing the baked good or use gloves when baking.
